

We look forward to welcoming athletes and spectators to the Dundrum South Dublin Athletics Club Campus this coming Sunday 14th June for the Dublin Juvenile T&F League 3.

Location: DSD Campus, Tibbradden Road, Kilmashogue, Dublin 16, D16 T6N2

Limited car parking is available at **DSD Campus**.

Once the DSD Car Park is full - additional car parking facilities will be available at the **Stillorgan Rugby Club** - a short distance up the road.

Direct access to the DSD Campus from the Rugby Club is via the adjacent field with permission from the adjoining landowner – please **DO NOT** walk down the road.

For safety reasons please **DO NOT** park on the narrow road leading to the DSD Campus.

We have also organised overflow parking in **St Columbas College** beside the **Corinthians Hockey Club Pitch** accessed from the small roundabout. St Columbas College have directed that there be **no parking** on the **College Drive** or in the **Golf Club Car Park** please – we would ask that you respect their request.

Alternative car parking can be found a few minutes' walk away in **Marley Park** using the College Road Car Park.

We would ask that all athletes and spectators use the **pedestrian pathway** on the way up to the Campus if you park in either Marley Park or St Columbas College – again for safety reasons.

A gentle reminder that dogs are NOT permitted on the DSD Campus – with the exception of Guidedogs or Assistance Dogs. If asked to leave with your dog, please respect the Officials request.

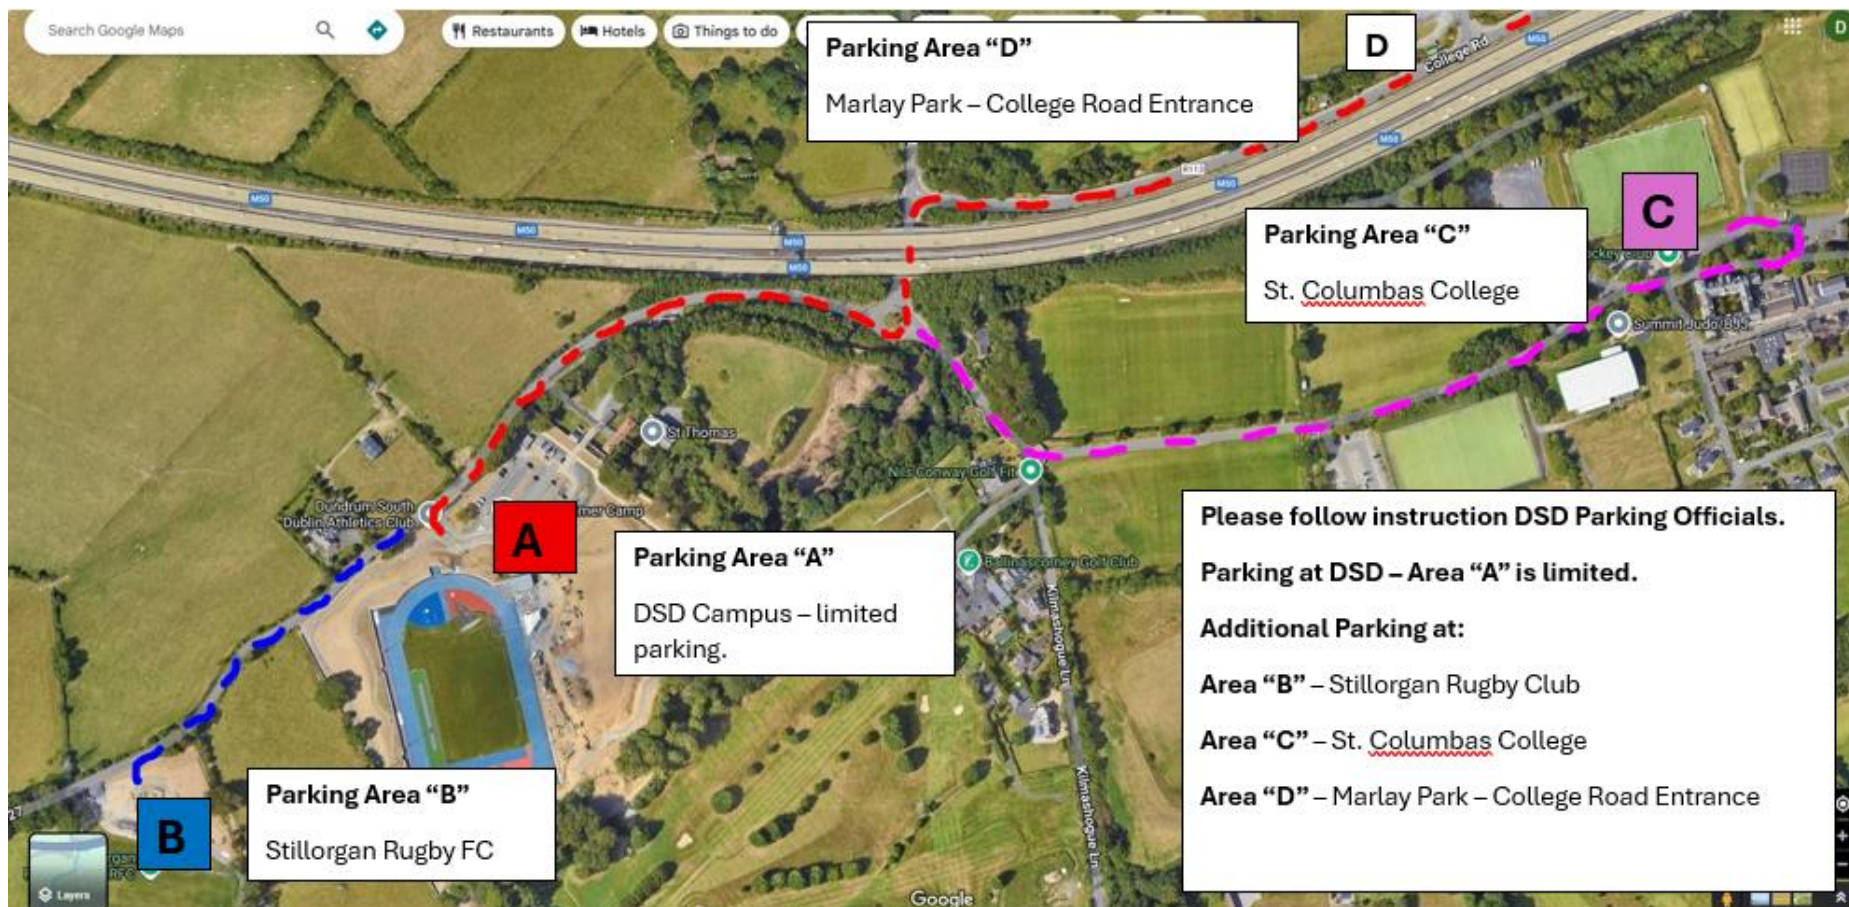

Please take additional care on Campus during Phase II Construction Works.

Wishing all athletes the very best of luck!

DSD Athletics

Please use car parks indicated.

Do not park on the road leading to the DSD Campus.

Strictly no Dogs are permitted on DSD Campus, with the exception of Guidedogs or Assistance Dogs. If asked to leave the Campus with your dog, please respect the Officials request.
